

Terms and Conditions of Sale

1. **CONTRACT:** These Terms and Conditions of Sale (these "Terms and Conditions") apply to the sale of the goods (the "Products") and related services by the seller ("Seller") identified on the face of this Agreement or the quotation, order acknowledgement, invoice or other correspondence (the "Order Documentation") signed by Seller incorporating these Terms and Conditions (together referred to as this "Agreement"), which together form the agreement between Seller and the purchaser identified in the Order Documentation ("Buyer"). Any terms and conditions in the Order Documentation shall supersede those set forth in these Terms and Conditions. This Agreement sets forth the exclusive terms and conditions, in lieu of all other terms and conditions, appearing on Buyer's purchase order or elsewhere and apply to all quotations made and orders accepted by Seller, unless specifically stated to the contrary in the Order Documentation. Any terms and conditions, whether in a purchase order or Buyer's other documents, irrespective of their materiality, which are either different from or additional to these Seller's Terms and Conditions, are objected to and excluded unless expressly agreed to in Seller's acknowledgement. Any indication of Buyer's purchase order or purchase order number will be for reference purposes only and will not constitute acceptance of any provisions in Buyer's purchase order. This Agreement constitutes the entire agreement between the parties and cannot be modified except by a writing signed by both parties. There are no understandings, representations, or warranties of any kind not expressly set forth herein. If any provision contained herein is held by a court or governmental entity of competent jurisdiction to be unenforceable, such provision will be severed from this Agreement and the remainder of this Agreement will remain in full force and effect; and this Agreement will be interpreted and enforced consistent with such revision. The failure of Seller to insist upon strict performance of any of these Terms and Conditions stated herein will not be considered a continuing waiver of any such Term or Condition or any of Seller's rights.
2. **ACCEPTANCE:**
 - (a) **Manner of Acceptance:** All orders are subject to final approval and acceptance at the principal place of business of Seller. Acceptance of the Products will constitute acceptance of these Terms and Conditions.
 - (b) **Buyer's Objections to Terms and Conditions of Sale:** If Buyer objects to any of the terms or conditions herein contained, Buyer will give Seller prompt, conspicuous notice of such objection, specifying the clause to which objection is being made. Otherwise, these Terms and Conditions will be deemed accepted.
3. **PAYMENT:**
 - (a) Payments shall be due and invoiced by Seller as set forth in the Order Documentation.
 - (b) All payment terms are expressed in United States Dollars.
 - (c) All payments are due net 30 days after invoice unless otherwise set forth in the Order Documentation.
 - (d) If any payment is not made when due, Seller reserves the right, without prejudice, to charge a Buyer an amount calculated from the due date until the date of actual collection by Seller, calculated at the lesser of (i) one and one-half percent (1.5%) per month or (ii) the highest rate permitted by law, and Buyer acknowledges and agrees that such amount represents liquidated damages for late payment and is not a penalty but rather a genuine pre-estimate of damages suffered by Seller as a result of Buyer's failure to make payment when due. Such charges will be in addition to, and not in lieu of, Seller's other rights and remedies for Buyer's default or non-performance. The total amount required to be paid by Buyer under this Agreement will be paid regardless of any dispute or controversy relating to this Agreement or the Products or to any other agreement, transaction, products, or services.
4. **TAXES:** Sales, use, and other taxes and duties that are presently or may hereafter be imposed by any taxing authority are not included in the price of the products. If such taxes are separately stated and collected at the time of payment of sale price, Buyer will be responsible for payment of that amount and will indemnify and hold Seller harmless from payment thereof, and Buyer will indemnify and hold Seller harmless for any additional amounts due.
5. **LEAD-TIME:**
 - (a) If applicable, Seller's required lead-time is set forth in the Order Documentation.
 - (b) The lead-time is based on receipt of a formal order, Buyer's accompanying payment, and Buyer's specifications, technical data, samples, test items, or other materials necessary for design of the Products, as may be further specified in the Order Documentation.
6. **SHIPMENT:**
 - (a) **Shipment Date:** The shipment date specified in the Order Documentation, if any, is dependent upon the lead-time as discussed above and is, thus, approximate. Seller will endeavor to make shipment of orders as scheduled, but Seller reserves the right to adjust shipment dates.
 - (b) **Shipment Terms and Conditions:** Unless otherwise specified in the Order Documentation, delivery shall be ex works Seller's facility, where risk of loss or damage will pass to Buyer upon delivery. Absent Buyer's instructions regarding the carrier to be used, Seller reserves the right to choose any carrier; however, Seller does not retain the risk of loss or damage for the Products. Damage or loss of goods after leaving Seller's manufacturing location is Buyer's responsibility and will not relieve Buyer of its obligations under this Agreement.
 - (c) **Shipping Charges:** All prices are ex-works Seller's facility. Shipping and related charges are not included. Shipments on common carrier do not include crating, delivery to the carrier, insurance in transit, or taxes and duties.
 - (d) **Unavoidable Delays:** Neither party will be responsible for delays, failure, or omissions hereunder (except the payment of money) due to war, fire, flood, strikes or other labor disturbance, Act of God, epidemic, pandemic or quarantine restrictions, governmental order or requirement, delays by carriers, or due to other cause or accident beyond its control.
 - (e) **Buyer's Delay or Suspension of Shipment:** If shipment is delayed or suspended by Buyer, Buyer will pay (1) Seller's invoice for the Products as per payment terms, (2) Seller's handling and storage charges then in effect, and (3) demurrage charges if loaded onto rail cars.
 - (f) **Shipping Via Seller's Truck:** If applicable, terms and conditions for shipping via Seller's own trucks are as set forth in the Order Documentation.
7. **INSTALLATION, PRODUCT ACCEPTANCE AND START-UP SERVICE:**
 - (a) If applicable, the terms and conditions of installation, product acceptance, acceptance testing and/or start-up service are set forth in the Order Documentation. Unless otherwise specified in the Order Documentation, Products shall be deemed to be accepted by Buyer unless Buyer notifies Seller otherwise within 10 days after delivery.
 - (b) Buyer will indemnify, defend and hold harmless Seller from personal injury, property damage, or damage to the Products caused by, arising from, or connected with the installation of the Products or start-up service unless such services are provided by Seller.

SELLER DISCLAIMS AND SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, OR LOST PROFITS OR LOST OPPORTUNITY, ARISING FROM OR RELATED TO THIS AGREEMENT, ANY ACTUAL OR ALLEGED BREACH HEREOF, OR THE PRODUCTS. SELLER MAKES OR ASSUMES NO OTHER WARRANTIES OR GUARANTEES WHATSOEVER, WHETHER EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NEITHER BUYER NOR ANY OTHER PERSON IS AUTHORIZED TO ASSUME FOR SELLER ANY OBLIGATION OR LIABILITY NOT STRICTLY IN ACCORDANCE WITH THE FOREGOING OR TO REPRESENT THAT SELLER MAKES ANY OTHER WARRANTIES OR GUARANTEES. Upon Buyer's default, Seller will have all the rights and remedies of a secured party under the Uniform Commercial Code and any other applicable laws, including the right to any deficiency remaining after disposition of the collateral for which Buyer agrees to remain fully liable. Seller may require Buyer to assemble the collateral and to return it to Seller at a place to be designated by Seller that is reasonably convenient to both parties. Seller will give Buyer reasonable notice of the time and place of any public sale of the collateral or of the time after which any private sale of the collateral or any other intended disposition thereof is to be made. Unless otherwise provided by law, the requirement of reasonable notice will be met if such notice is mailed, postage prepaid, to the address of Buyer at least ten days before the sale or disposition. Seller may, at its option, cancel this Agreement if Buyer fails to make payment in accordance with the terms and conditions of this Agreement or any similar contract with Seller and Buyer hereby waives any cause of action and the right to any offset or counterclaim against Seller by reason of such cancellation.
